Un-Excused: Xavier Hackel ,

Guards -

- Please BE ATTENTIVE. Look interested in what you are doing. Try to stay focused. Look around. If you are feeling drowsy get up and walk around.
- When you are not busy please check out our inventory of toys and/or fitness equipment. If you see things that are broken pull them and let Jennifer know. If you see that we don't have enough of something for lessons or Birthday Parties let Jennifer know. Give us some suggestions for new games and let us know what equipment you would need. Some suggestions of needed items that we got are: Preschool toys, flippers, teaching devices, games for BD parties especially for younger kids.
- Please remember that equipment will hold up better if we rinse it in fresh water after use.

Desk

- Starting the week of 1/25/16 we will have the "mini barrel here at the pool. The Marathon Area Business Association has a fundraiser going on called the "Barrel Drop". It is to benefit scholarships through the Marathon Schools. The big barrel is out on the pond over by Subway. The idea is to buy a chance to guess when the barrel will fall through the ice. The mini barrel travels from business to business and tickets are sold. Next week is our week. Tickets cost \$5.00 for one or 5 for \$20.00. Basically they fill out their name and stuff and you keep part of the ticket and give them the other part. The cash does not go through the till. It is kept separate. If you need to you can make change from the till. There will be a sheet printed up where they can read about it.

All

- Please give Jennifer your availability for second semester and spring lessons as soon as possible. There is a form in the break room where you can enter your availability or just talk to her. Also, start thinking about summer availability and talk to Jennifer. Remember, the early bird gets the hours.
- Staff input is desired for when staff meetings. Does Thursday and Sunday afternoons still work well for people?

Drills

- We did 3 in-water drills: a seizure victim, a stroke victim and a double drowning.
- We did 3 different Manikin Drills – Adult collapses on deck and needs CPR/AED help, Child choking, Baby near drowning.
- If you missed the meeting please see Jennifer about making up the drills.

That is all! Have a great week.
