Winter Lessons –

- All evaluations need to be done before the start of their last lesson.
- Pass/fails need to be put in the binders by Sat. Feb. 28th.
- Wed. night lessons have a make up on March 4th, but you can still do your evaluations and pass/fails before that since it is safety night.
- Registration for Spring Lessons starts March 9th.

Spring Lessons –

- If you have not checked or made changes regarding if you can work spring lessons or not, please do that. The list is on the door to Jennifer's office.
- Is anyone free and interested in teaching Thursday night preschool in spring? The times are 5:00 ST 2, 5:30 ST 1 and 6:00 WB/TT.

Sweeping and hairballs – The vacuum seems to be doing a good job, but if you see any problem areas or hairballs please make sure you are still taking care of them with the broom and net.

Lifeguards Check List – books, magazines and cell phones should not be in hands reach while guarding.

Jennifer will be gone on vacation March 3rd – 10th.

- Any maintenance needs to go through Katie Miller/Gary Miller.
- Desk issues go through Cathy Matel.
- Guard issues go through Katie Miller.

Drills –

- Lift – How to use it, battery location, sign at the front desk, desk staff observation; when someone comes in that may need to use it communicate with the guard.
- Brick Tread – 1 min.
- Passive Victim Swim – 25 yards with the rescue tube.

- Spinal Victim Swim – 15 yards without the rescue tube.

That is all! Have a great week.
